Please see the letter received from the Govt of India wherein it is stated that 150 tons of cement has been allotted to this state from Madukkarai for the period III/55 (July - September) for non-Agricultural purposes.

A copy of the PUC was forwarded to D.C, I.O; A.O and Federation to intimate their requirements. All the Departments except C.P.C.M.F: IID U.Dist. have stated that they do not require any cement

Inspite of 2 reminders to the Federation they have not submitted their indent and as such it is presumed that they do not require any cement

In the circumstances explained above no action seems necessary on the PUC and, hence if approved the PUC may be filed.
